

## **ASEP Recruitment Notice for Career Training**

Interested in a New Career?

- Are you looking for new opportunities?
- Want to explore your career options?
- Looking for training that will lead to a new career?

The Unama'ki ASEP Training Program, part of the Unama'ki Economic Benefits Office, may be able to help. ASEP is looking for people interested in a new career. We can help with training, training support, job identification, job-coaching and even wage subsidies. If you are interested in training that might provide you with a meaningful employment in some of the major industries and construction project in Cape Breton, we may be able to help. For more information, contact your community Native Employment Officer (NEO) or the Unama'ki ASEP Training office in Membertou.
