

UNAMA'KI

ECONOMIC BENEFITS OFFICE

Economic Partnership of Five First Nation Communities in Cape Breton (UNAMA'KI)

WORKSHOP FOR UNAMA'KI COMMUNITIES TAR PONDS & COKE OVENS CLEAN UP

AN IMPORTANT WORKSHOP AND YOU'RE INVITED. THERE IS NO COST.
The event is being hosted by the Unama'ki Economic Benefits Office. Join us at the Membertou Trade and Convention Centre on Wednesday, Feb.27, 2007 from 1 pm to 4pm.

Who should attend? Residents of Unama'ki communities, workers, construction companies, businesses, entrepreneurs, and aspiring entrepreneurs.

You'll be updated on the \$400 million Tar Ponds-Cokes Ovens Cleanup, And you'll hear details on Aboriginal participation. This will be a great opportunity to network with aboriginal construction companies, the Sydney Tar Ponds Agency and other construction companies.

Learn how you can be part of this major project. Hear about specific issues around bidding on contracts, addendums, local Economic Benefits scoring, partnerships, training and financing of major construction equipment.

Note that there is an Entrepreneur Workshop being hosted by the Membertou-Entrepreneur centre from 10am to noon, the same day. Feel free to attend either or both.
